And the winner is...

Thank you for picking up a copy of THE BEST of PARIS TEXAS!

We couldn't have been more pleased with the response from our readers who ultimately decided who was deserving of the title of "BEST" in Lamar County.

After several months of preparation, voting and counting ballots, the 2022 Best of Paris winners are in and congratulations are certainly in order.

We published The Best of Paris ballots for four consecutive weeks in The Shopper and on our website dseshopper.com.

The ballots consisted of 192 categories including places to shop, services, food and drink and people in our county. The response was overwhelming this year!

The Best of Paris voters were given an opportunity to submit one ballot per person and had to vote for a minimum of 10 categories. Our goal was to make sure the contest was fair and managed in a way where ballots could be screened and validated. Random calls were placed to readers submitting ballots to ensure they were in fact the ones submitting the ballot. Duplicate ballots were taken out and all ballots throughout the counting process were checked for anything we felt would compromise the outcome of the contest.

Congratulations to all our winners and we hope you will enjoy a full year of this great distinction as THE BEST in Lamar County.

Thank you again to all who participated.

Linda Garrison

Precision Automotive & Transmission offers “best in the business” warranty

Precision Automotive and Transmission has been in business for 26 years and completed over 100,000 repairs. We have worked hard over the years to build a reputation as the best automotive repair center and we will continue working hard for you!

Thank you for voting us Best Auto Repair in Lamar County. Precision Automotive employs 4 ASE certified Master Technicians and ASE certified technicians who stay up to date on the latest techniques and equipment to utilize on all of our repairs. Our repairs come with a nationwide 3 year 36,000 mile “Best in the Business” warranty!

We have built a solid reputation as being your dealership alternative for all makes and all models, whether it be domestic or import. We offer same day diagnostics in most cases, complimentary shuttle service in town, and free wifi if you choose to wait.

We look forward to keeping you and your family on the road well into the future. Again, thank you and if you’re not already a Precision customer, we invite you to come see for yourself why our customers voted us the best automotive repair shop.

Precision Automotive and Transmission, “We keep you on the road!”

Celebrating 15 Years in Business!

15 years ago in a small modest house brought over on Bois d'Arc logs in the 1800s in Swink, OK with a credit card maxed out buying 5 mowers in November a crazy idea happened and K and G mowers was born.

After 4 years we hired 1 employee, built the shop on North Main in Paris, TX and finished 2012 being the largest volume dealer in the world for Bad Boy Mowers.

Fast forward to the end of 2022 and we have 10 employees including 5 full time mechanics 2 of which are top master engine techs, and 1 won the small engine nationals competition 3 years in a row.

We have over 14 thousand customers, we carry 5 lines of ZTR mowers, a tractor line, full line stihl dealer, 3 lines of off-road vehicles, we have a parts room incomparable to any OEM dealer in our category. We have helped prototype and design mowers, have helped train other dealers, and have built a huge name in the industry with only one location.

We have learned a lot in 15 years and learned that God has done all of this. We averaged an unheard of 1 week turn

around in the shop this year (unless parts were backordered).

This is a business, but more importantly it's an open heaven and a gateway to know the only One that matters. We have seen many healed by Him, seen many lives changed, and we have seen Him do more in the last couple of years in people's lives than most churches. This is a place to meet Jesus in one of the most unexpected places....

Numbers 6:24-26 You are sowing into good ground here...

We ask you to come in, check out our new mechanic shop, and our new parts room, and give us a chance or another chance to earn your business.

Thank You!

Paris, Texas Landmarks

Culbertson Fountain

In the Center of the Square. A gift to the city by Paris businessman/ philanthropist J. J. Culbertson, this Italian marble fountain was meant to commemorate the city's rebirth after the 1916 fire that destroyed most of the city. Designed by St. Louis architect J. L. Wees, it is said that it was inspired by fountains the Culbertson family had seen while in Italy. The fountain took three years to assemble (1924-1927).

Sam Bell Maxey House

The Sam Bell Maxey House is a historic house in Paris, Texas. Samuel Bell Maxey, a prominent local attorney and later two-term U.S. senator, built the large two-story house after serving as a major general in the Confederate Army. It is built in the High Victorian Italianate style. From 1868 to 1966, the house was the home of Samuel B. Maxey and his family. The house was designated a Recorded Texas Historic Landmark in 1962.

Red River Valley Veterans Memorial

This impressive memorial is located in Paris, Texas next to the Eiffel Tower at the Love Civic Center. The Memorial's centerpiece is the Ring of Honor, an elevated ring of granite walls containing the names of all men and women from the five county Red River Valley area who made the ultimate sacrifice in a combat zone while in service to our country. The Red River Valley Veterans Memorial will be a place for reflection, remembrance and gratitude. And may it be a reminder that "Freedom Is Not Free."

Lamar County Museum

The Lamar County Historical Society preserves artifacts and historic sites within the county; its museum exhibits uniforms used during the Civil War, replicas of pioneer homes, a blacksmith shop and shoes. Museum admission is free, but the society appreciates donations.

Trail De Paris

The Trail de Paris runs for just over 3 miles from Paris east into the countryside. The paved route follows a lovely corridor of shade trees, crossing bridges as it heads along a former railroad right-of-way. The trail includes benches, viewing platforms, mile markers, and interpretive signs. It offers access to a butterfly garden, neighborhoods, and parks. On its eastern end, it connects to the Reno Rail-Trail, which extends the ride another five miles.

Eiffel Tower

Texas' Eiffel Tower is a landmark in the city of Paris, Texas. The tower was constructed in 1993. It is a model of the Eiffel Tower in Paris, France. This replica was built in 1993. A cowboy hat added to the top made the total height 65 feet. It was built by members of the local welders' union and is less than one tenth the height of the 1,063-foot original. A shiny red cowboy hat was added to the top of the spindle in 1998.
